Change of Broker - Appointment of Mining Consultant

Leed Resources plc, (AIM: LDP), the natural resources investment company, is pleased to announce that Whitman Howard have been appointed as brokers to the Company, effective immediately. The Board is also pleased to announce that they have appointed PG Mining Management Limited ("PGMM"), whose head office is in Singapore, as consultant to the Company to act as technical and commercial adviser in sourcing and assessing new mining projects. PGMM has been active for many years in assessing and developing mining projects. A presentation on PGMM is available on the Leed website, www.leedresourcesplc.com.

Jinesh Patel, Chairman of Leed, said "we are pleased to have concluded this agreement with PGMM who have a strong reputation of value creation in the industry. Combined with the appointment of Whitman Howard, this underlines that the new Board is committed to delivering value by gaining access to greater and higher quality deal flow in a highly cost effective manner. The combination of these appointments will enhance the technical and financial expertise to review deals and execute them."
